are allowed larged belts at a Cost of Rs 13. 8. 0. Their pay is Rs 9 per mensem.

9 The Jamedhar of the office of Director, department of Mines and Geology gets a pay of Rs 15; the Duffedar gets Rs 12 and the Sub Duffedhar Rs 9: 10. So long as the Director was Secretary to Govt, these three menials were given belts at a Cost of Rs 13. 8. 0. Now that he has ceased to be Secretary, these menials cannot be given belts at a Cost exceeding Rs 2. 8. 0 without a Special order of Govt.

10 One of the reasons assigned by Govt for allowing belts at a Cost of Rs 13. 8. 0 to be supplied to the Duffedhars of Sub Courts was that they had all along been getting such belts. This reasoning applies to the menials referred to above of the Director's office also. On this ground and in view of the high Status of the Director, this Recommendation may be sanctioned.

11 The financial opinion is that this may be done if such menials working under the Heads of other departments have been shown a similar Concession, but in respect of these departments no Recommendation has been received and the

Should be shown a similar Concession and there is nothing in principle or reason to lead one to arrive at a contrary decision

16 The Asst Secy, Bd II said that if the Memals of other in the offices of other departmental heads who are drawing Rs 1400 have been shown this Concession it might be extended to the Directors' Memals also. It has been shown that the Memals of Sub Courts have been shown this Concession. Sub Judges are lower in Status than Dy Commrs and Dt Judges, who again are lower in the official Scale than Heads of Depts. ments. A fortiori Should the Directors' Memals be given Lared belts.

17 That the other Heads of Departments have not applied for a general direction for the Supply of Lared belts to their Memals is no reason for depriving the Memals of the Director who has made a recommendation on their behalf. Some of the Peons of the Dc Commrs office were given Lared belts; the Commr added to the Charge; on a reference to Govt,
